Scratch

Z brand nail polish collection. The collection features three shades: a soft pink, a neutral grey, and a vibrant purple. Each bottle is sleek and modern, with a black cap and a clear base showing the color of the polish.

A woman is shown sitting at a table, surrounded by several bottles of perfume. The setting appears to be a retail display or a promotional event. The woman is looking towards the camera, and the perfume bottles are arranged neatly on the table.

THE HOT List

Scratch covers the industry for the latest hot and beauty products to give you a head start and send a helping hand to your business.

Perfume bottle with a white and gold design. The bottle is tall and slender, with a gold-colored cap and a white body. It is part of a collection of luxury fragrances.

A round, light blue cosmetic product, possibly a cream or powder. It is presented in a simple, elegant container with a white lid and a light blue base.

Butter cosmetic product. The jar is small and round, with a white lid and a clear base showing the product inside. The word 'butter' is printed on the jar in a stylized font.

Two blue and black cosmetic bottles. The bottles are tall and slender, with a blue and black design. They are part of a collection of modern, minimalist beauty products.

A jar of cosmetic product with a brush. The jar is small and round, with a black lid and a clear base. A brush is shown next to the jar, suggesting the product is applied with a brush.
