## Boost bronze power with Mavex

Offer a year-round tan to clients with Perfect Bronze from Mavex. The liquid accelerates and intensifies the natural pigmentation process of the skin by stimulating tyrosinase. The formula also helps the skin retain hydration, prolonging the tan. It can be applied before or after sun exposure or before a tanning bed session. Get your hands on the product via [www.mavex.uk](http://www.mavex.uk)

## Ovisia launches course to enhance nail artistry
